What a boring day.

Nothing exciting ever happens around here.

If only

...If only something would happen around here. James, tell me what is new in the world.

Hmm.... The stock market is up, dow jones is down, an old woman died and left her estate to her cat...

...Interesting! "Ex-hero of Metro City who was jailed has now escaped and is on the loose". We better tighten our security!

Miss Kanzuki, we better go inside where it's safe!

Give me a break! You guys worry about EVERYTHING!

It says that he could be anywhere in the Los Angeles area! We're not even NEAR there!

I'm sorry Miss Kanzuki, its just that your father ordered us to take care of you.

That's ok James. I know you are only doing your job.

Besides, I don't think he would be foolish enough to come HERE!

I am a champion fighter! If he showed up here, I would mop the floor with him!

You're damn right! huh?

HEY YOU, STOP RIGHT THERE! SECURITY TO THE WEST GATE!

HALT!

Of COURSE Miss Kanzuki! You are the best fighter in the world!

What in the world is going on over there?

bushes?

JEEZ,

the racket
you'd think
someone
was trying
to break
into your
house!

My father insists that they follow me every where I go. I hate it!

Obviously they could not fend off the likes of you, so they are pretty much worthless.

True, they were pretty sad, but...

...at least your father cares for you, he wants to make sure you are always safe.

Yeah, whatever! I don't need them to take care of things I can do on my own!

That's right, I'm gonna finish what those bozo's started, I'm taking you down, because I am the **BEST!**

Are you sure you want to do that? I don't like fighting girls.

Maybe you should just go back inside. I'll leave you and your bushes alone.

Tell you what, if I win, you will be my new body guard. If you win, I'll give you some clean clothes and food.

Agreed? Good! Now prepare to eat **Asphalt!** You're gonna regret sleeping in **MY** bushes!

1 minute later...

Look, I told you that I didn't like fighting girls! I swore I'd never hurt a girl ever again!

But I'm so hunry, and I need clothes bad!

I would have robbed a store or just gone to a homeless shelter, but I'm a wanted man, and your offer sounded so good at the time how could I have said no?

I truly am sorry about kicking your ass.

waaa?
You didn't win....
I just... gotta catch... my breath!

Ahh who am I kidding! You won fair and square!

Damn left hook!

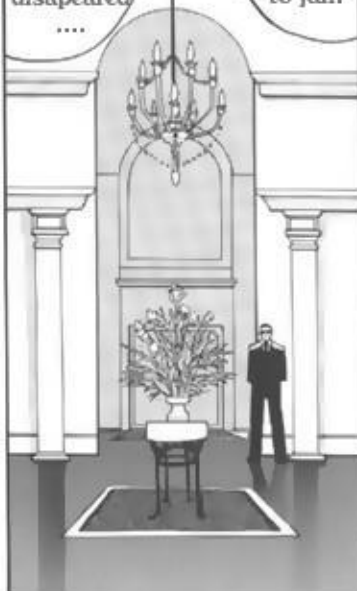

Well, a bet is a bet. Let's go inside and find you some clean clothes and some food.

My last girlfriend was actually my friends daughter. When she disappeared

... I got framed for her disappearance and was later sent to jail.

I'm so sorry to hear that! Now that I think about it, I remember reading about that in the papers!

Do you have any idea who really kidnapped her?

Not a clue! I have so many enemies it isn't even funny!

So what are you going to do now? I'm sure cops are looking for you every where!

I plan on heading back to Metro City. From there I'm gonna bust down every door I have too...

I would do anything to have Jessica back. She ment the world to me!

Who am I kidding! She is probably long gone, or dare I say it, dead!

Plus the cops are everywhere, I might as well just hide under a rock for the rest of my life.

Can't get a regular job, so maybe I can earn money fighting or something.

Well Cody, you are welcome to stay here until the heat lies low. Since I'm out of school for the summer, I can keep you company. Hmm, what could we do?

Why are you looking at me like that?

Say, when was the last time you were with a woman?

It's been so long, I can't recall! Why?

Oh, I was just thinking I could help cheer you up.

Can YOU think of anything that might help?

Umm.. lifting weights? Jump roap ...

Runing, swim a mile, ride a bike

I was thinking along the lines of something a little more "fun".

何ん

I'd say that sounds a lot more fun than what I said!

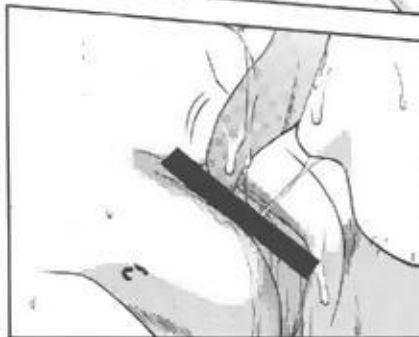

I figure that the cops will be after you for a LONG time! You know what that means?

We're gonna have a lot of "free" time to have lots of "fun"?

I think sleeping in your bushes was the smartest thing I've ever done!

hehe
You won't be sleeping in bushes any time soon!

YES....

I'm gonna
CUM!
